20/00629/OUT	Silver Birches Syerscote Lane Wigginton Tamworth Staffordshire B79 9ER	Outline application for the erection of up to 9no dwellings (all matters reserved)	The Parish Council consider the highway unsafe for construction traffic to safely manoeuvre and a strong likelihood of obstruction and difficulties to local residents especially during school drop off / pick up times construction work should ideally be mindful of the proximity to the school and plan accordingly. Longer term the exit from silver birches onto Syerscote lane is on a right-hand bend and could be hazardous for the residents, given the proximity to the Arkall Farm development could access through Arkall Farm be considered / negotiated for this estate and entrance to Syerscote Lane be closed off to protect Syerscote Lane from additional pressures the two developments will bring to the village.	Pending Consideration
18/00840/OUTMEI	Land North Of Browns Lane Tamworth Staffordshire	Outline application for up to 210 dwellings, public open space, landscaping, sustainable urban drainage, access, and associated infrastructure. (All matters reserved except access).	This land is not on the SLA for either the existing LDC plan or the new emerging review for 2018-2040. The site is not within the policies of the Wigginton and Hopwas Neighbourhood plan despite their report suggesting that it create no coalescence with Tamworth. The land shows evidence of Medieval farming which would be lost. The Planning enquiry into the Arkle Farm site came to the conclusion that the that development of 1000 houses would put undue and unacceptable pressure on the local infrastructure and required a measured development. This proposed development would simply add to the problems. If accepted it would look like a way of bypassing the conditions laid out the inspector's report. It is obvious to residents that there is already extreme pressure on schools' medical facilities and highways. This will only be increased with the developments already approved despite the improvements proposed.	Pending Consideration

- It was RESOLVED at accept the quote from M&BG for the removal and disposal of the goalpost, Clerk to action.

21/064. Platinum Jubilee: The Council discussed options for organising an event at Hopwas Playing Field or Comberford Millennium Green. As the Council do not have the resources to organise three satellite events and it would be difficult to feel the entire Parish would feel welcomed to a single event it was decided that the Councillors and the Clerk would encourage the community to organise their own events to celebrate, Clerk will put posters and information on the website and assist with signposting and the Council will consider ways they can support any organised events.

21/065. Newsletter: It was felt an annual or six-monthly newsletter would be sufficient. The Council will continue to liaise with community groups who may wish to submit articles; aim to recruit volunteers who would like to contribute, compile or distribute the newsletter and find businesses who may wish to advertise for a nominal fee that would help to cover the costs of printing and distributing the newsletter.
