Proposed Weight Restriction – Balls Canal Bridge and Dunston Canal Bridge, Hopwas

Dear Sir or Madam,

I am writing to you to inform you that as part of its ongoing review of the highway network, Staffordshire County Council are proposing to impose 7.5 Tonnes Structural Weight Restriction on Balls Canal Bridge and 3 tonnes Structural Weight Restriction on Dunston Canal Bridge. This is to protect these historical bridges from being damaged by vehicles exceeding the restrictions

The proposals listed above can be seen on drawings D6764T-R00-02-R0 Consultation Plan.

If you have any comments you would like to make regarding the proposals for this scheme, then please fill out the survey by scanning the QR code below, visit the URL below or by post to the above address by Thursday, 22 September 2022, marked 'For the attention of Mike Smith'.
