1. **To receive apologies.**
Cllr Booker, Cllr J Shirtliff and Cllr Stevens.
2. **To approve, if appropriate, the Minutes of the meeting of 28th February 2022 (Appendix 1)**
Cllr Loxton asked that the spelling of his surname be amended from Luxton to Loxton and with this amendment it was RESOLVED to approve the Minutes of the meeting on 28th February 2022 as a true and accurate record.
3. **Refurbishment Update**
£2750 was received as a grant donation from Wigginton & Hopwas Parish Council on 29th March 2022. Andy Cox completed the landscaping work during w/c 18th April to an excellent standard. On 22nd April Andy Cox contacted the secretary to discuss an alternative option to replacing the railway sleepers with slabs as the erosion of the hill could cause sharp edges of the slab to protrude. It was agreed that he could use compacted gravel to continue the path into a ramp instead which would aid accessibility. The landscaper also advised his material costs had increased significantly since he first provided the quote to us in November and unfortunately would now need to charge for the additional work to the path as he was no longer able to include this within the previously agreed quotation. It was RESOLVED to approve invoice 2136a for £150 relating to the work to the steps / ramp. Andy Cox was thanked for his efforts on this additional refurbishment work and the value for money provided to the residents of Comberford. Vic Greatrix was hoping to complete the playtower and swing refurbishments this week. The additional costs for the paint and secondary safety device have not yet been provided.
4. **Payments**
 - a) It was RESOLVED to approve the payments made since the last meeting on the payment schedule.
 - b) It was RESOLVED to approve the payment of invoice 2136a for Andy Cox for the additional refurbishment work.
5. **To seek the views and opinions of inhabitants on the use and enjoyment of the Comberford Millennium Green**
Residents had not wanted to meet to discuss a jubilee or opening event, the Trust will continue to seek views on improvements to the open space.
