Funding

Lichfield District Council have agreed to fund the Clean & Green proposal requests sent by the Parish Council:

- £900 towards a litter bin for Dunstall Lane in Hopwas. The area is a popular walk for dogs as well as a location cars frequently stop which attracts litter. We have found that installation of a litter bin in those areas does greatly reduce litter problems (the Parish Council are willing to fund the bin emptying)
- £200 Additional street sweeping for tollgate Lane Cumberford. The road suffers from frequent blocked drains, and this will greatly help with the flooding problems
- £180 towards the purchase of a dog bag dispenser and waste bags for Dunstall Lane in Hopwas. This is a popular area for walking dogs and dog mess is frequently left, and this is now a busier area due to the new estate on Dunstall Park
